
On November 7, the Nuclear and Industrial Safety Agency (NISA) collected a report from Tokyo Electric Power Co., Inc. (TEPCO) pursuant to the provisions of Article 31 of the Act on Special Measures Concerning Nuclear Emergency Preparedness. (Already announced on November 7.) This is to inform the public that today (on November 11) NISA received the report on the implementation status of the emergency response measures at Fukushima Dai-ni Nuclear Power Station (NPS) from TEPCO.

- NISA collected a report from TEPCO pursuant to the provisions of Article 31 of the Act on Special Measures Concerning Nuclear Emergency Preparedness in order to strictly verify and evaluate the implementation status of the emergency response measures by TEPCO. (Already announced on November 7.)

- Today, NISA received the report on the implementation status of the emergency response measures at Fukushima Dai-ni NPS from TEPCO.

- NISA plans to conduct an on-the-spot inspection at Fukushima Dai-ni NPS starting from next week in order to verify the validity of the report contents submitted today by TEPCO.
