November 11, 2011
Nuclear and Industrial Safety Agency

On September 30, 2011, the Nuclear and Industrial Safety Agency (NISA) requested Tokyo Electric Power Co., Inc. (TEPCO) to report the list of the images and videos taken on and after March 11, 2011 as well as their disclosure procedure to NISA as soon as the company finds any images or videos that had not been disclosed at the time and to promptly disclose them. Furthermore, NISA requested TEPCO to also disclose the images and videos, which will be taken in the future by the company, in a timely and appropriate manner. (Already announced on September 30, 2011)

With regard to the above request, NISA received a list of images and videos taken on and after March 11, 2011, which were confirmed as having been undisclosed, as well as their disclosure procedure from TEPCO on October 5. (Already announced on October 5, 2011)

Subsequently, TEPCO found additional images and videos that had not been disclosed. This is to inform the public that today (on November 11) NISA received a list of the additional undisclosed images and videos and their disclosure procedure from TEPCO.
